Dear Parents and Carers,

Welcome back for another wonderful year of working together to enable your children to learn, experience, laugh, cry, dream, aspire, grow, mature, develop, improve, strive, express, create, persevere, and most importantly, love! If we truly aspire to follow in the footsteps of Jesus, we must above all else love - love God, love Jesus, love our parents, our brothers and sisters, our relations, our friends, our classmates, our neighbours and those who are most in need of our love - the poor, the marginalised, the persecuted, the homeless, the sick, the refugees, the civilians trapped in war zones, the victims of terrorism - there are so many that need our love, our prayers and our help.

As Pope Francis has declared 2016 to be a “Year of Mercy”, he has challenged us all to find ways to be “merciful like the Father” in our daily lives. As a school community we will be taking up the Holy Father’s challenge and looking for ways in which we can show mercy to others in a very real and practical way this year. We look forward to working hand in hand with all our staff, children, parents and carers to show our love for our fellow human beings through our acts of mercy this year.

Welcome back to all our families and wonderful children. A special warm welcome to all the new families joining “Queenies” for the very first time:

I do hope that all our children and families enjoyed a terrific Christmas, New Year and holiday period together. It was wonderful to see all the smiling faces on Monday morning as the children were dropped off at school, and the children looked pretty happy as well! The staff are certainly eager to get started and we are all looking forward to a very busy and productive year with awesome learning opportunities flavoured with enjoyment and fun.

Please Be Aware and Mindful

For one of our terrific Year 3.2 students, Sophie Smith, the Christmas holidays were not as much fun as they should have been. Sophie has been diagnosed with a nasty tumour in her leg and is currently undergoing a course of chemotherapy treatment. This will be followed by surgery and then further chemotherapy treatment. Of course Sophie and her parents Colleen and Greg, will be foremost in our prayers now and over the coming months.
From a practical perspective, Sophie already has no shortage of volunteers to help her out during the day at school, as she is currently confined to a wheelchair. Unfortunately, one of the common side-effects of the chemotherapy treatment is a temporary weakening or suppression of the person’s immune system, making them much more susceptible to common viral infections such as measles, chicken pox, flu etc. In order to minimize the impact or threat that such infections may pose to Sophie, I would ask that all parents and carers be very vigilant of their children’s health and notify the school immediately that their child is diagnosed with a contagious or transmittable infection or disease. We can then inform Sophie’s parents and medical team, so that they are aware of the situation and respond accordingly. Your cooperation in this matter will be greatly appreciated.

P&F Welcome Sundowner
By now you should all be very much aware of our P&F’s wonderful Bush Dance Sundowner, happening this Friday evening from 6.00 - 9.00pm on the main oval. The evening will feature the music of “Mucky Duck Bush Band” and with the warmer weather on the way, it should be a perfect, balmy summer’s evening to spend out on the lawn under the stars. Admission is simply a gold coin donation per person, so this will be one of the most affordable family nights you’ll enjoy this year!

So pack your picnic rug, camp chairs, picnic hampers and eskies and be early for the best spots. If you didn’t get your pizza orders in by Wednesday afternoon, then I’m afraid you’re too late to order pizza now. Nevertheless I’m sure that our creative and resourceful parents and carers will arrive with hampers and eskies delicately stuffed full of chicken and salad, cheese platters, antipasto, sandwiches, rolls, quiches and countless other scrumptious morsels. For those who can stand a bit of heat in the kitchen, there will be two P&F BBQ’s available for parents and carers to cook their own meat and have a barbie! (BYO tongs and other implements).

This will be a fantastic, fun, enjoyable evening and a great way to kick-off another year and welcome all our families back, especially our new families. Of course everyone wants to relax and enjoy the evening, so I would like to remind all parents and carers that your children are your responsibility for the evening - just the same as if you were at the river, a beach, a park or the Sky Show fireworks display on Australia Day. Everyone wants to enjoy the evening, relax, have a picnic dinner, listen to the music and enjoy some bush dancing. No one really appreciates children running through the middle of their dinner spread out on a picnic rug. I would ask all parents to please remind their children about acceptable behaviour in and around where families are sitting to eat, drink and relax. Also please be mindful of the area where the band sets up and the area in front of the band, which will be for dancing.

I look forward to seeing many of our families there tomorrow evening.

Have I Mentioned Traffic Safety Yet?
As always, the start of the school year brings with it some incredible examples of careless or thoughtless driving and parking in and around our school. It would appear that some parents must forget about the dangers and hazards over the course of the school holidays. Over the course of the first 3 days of school, staff have witnessed more than one parent double parking in Tudor Ave and actually getting out of their vehicle to assist their child getting into the car - leaving it parked in the middle of the road! We’ve seen a parent drive on the wrong side of the road! We’ve seen at least two parents drive and park on the wrong side of the road, therefore facing the wrong direction to pull out again and having to cut across oncoming traffic to get back to the correct side of the road!

I have a rapidly growing level of empathy with our Police Commissioner, Carl O’Callaghan, who is constantly reminding motorists to slow down and not speed or to stop texting while driving - it doesn’t matter what he says, the road toll continues to creep upwards. I suppose our scenario is different because no child or parent has been seriously injured or killed …. yet! What concerns me is the fact that I do need to constantly be reminding parents to be careful and vigilant when driving and parking in and around our school. The fact that you are in a vehicle that can easily injure or kill another human being and you’re in the vicinity of not just any school but your children’s school, should be enough to ensure you’re extra careful and vigilant ..... but apparently not? I’m fearful that one day our luck so far will run out and we will be dealing with a child or adult seriously injured by another of our parents in a street parking, car park or drive-thru incident.
I’ve received a letter from the City of Canning to inform me that their rangers and officers will be having a blitz on traffic and parking safety around schools at the start of the school year. The City of Canning has produced a brochure about safety around schools. I would urge all our parents to right mouse click and then open the link below and read the brochure in the interests of keeping our children safe.

Queenies Receives a Bankwest Community Grant!
I am very pleased to announce that our school has applied for and been successful in receiving a grant of $1,000 through the BANKWEST Community Grants Program. The grant application was made by one of our wonderful parents, Mrs Prasantha Suraweera, so we have Prasantha to thank for its success. The money will be used for the construction and development of a new veggie garden for the new Kindy playground, as part of the new Early Childhood Centre to be constructed this year. When our Kindy children move into their new state-of-the-art facility next year, I’m sure they will really enjoy planting, tending and growing some vegetables that they can then enjoy eating! Well done Prasantha and on behalf of the children, thank you very much for taking the time and effort to put in the application.

Congratulations!
If you enjoyed watching the Australia Day Fireworks and the music soundtrack broadcast on 94.5fm, you may not have realised that one of our very talented students, Jodie Ophel in Year 5.1, was the voice that provided the commentary to the soundtrack! Jodie is no stranger to doing voice-overs and audio for radio ads and promos, however, I think it would be fair to say that doing the commentary of the Australia Day fireworks would be the highlight of her media career so far. Congratulations to Jodie and good luck with her future media work.

Letter From The Director Of Catholic Education
Attached to this newsletter you will find a copy of a letter from the Director of Catholic Education in WA, Dr. Tim McDonald, addressed to all the parents and carers in our Catholic school system. I would encourage you all to take the time to read it.

Peace and best wishes,
Shaun O’Neill
Principal.

We would like to send a warm welcome to all the families who are new to Queenies and a big hello to the returning families from holidays. We hope you have all had a wonderful break and are looking forward to the year ahead.

On Tuesday, it was the feast of the Presentation of The Lord. This is when Mary and Joseph presented Jesus to the Lord according to the Law of Moses. Simeon was one of the first people to recognise that Jesus was the most important person that ever lived. Much like Mary and Joseph, you too, as parents are presenting your children to us here at Queen of Apostles. Your children are also the most important people that ever lived! Together, we can help each child realise their importance and the way they can change the world.

Please note below the dates of celebrations we will be having this year, so you can get out your calendars and write them in!
In regards to the Sacramental Program this year, it will again be Parish-based, so it is important to contact the priest from your parish to arrange for your child to receive a Sacrament if they are the correct age to do so. We have included the dates for Queen of Apostles parish to assist you.
Religious Dates for 2016

Registration and Commitment Masses
If you wish your child to receive a Sacrament at the Queen of Apostles parish, you will need to register them by either seeing Fr Paul after school in the Parish Office or attending the Registration day held this SATURDAY 6th FEBRUARY at 9:30am in the Presbytery.

The Commitment Mass for those students receiving a Sacrament will be at the following Masses:
- Sacrament of Confirmation - Saturday 13th Feb at 6:30pm, Sunday 14th at 9:00am or 7:00pm
- Sacrament of Reconciliation - Saturday 20th February at 6:30pm, Sunday 21st at 9:00am or 7:00pm
- Sacrament of First Holy Communion - Saturday 27th Feb at 6:30pm, Sunday 28th at 9:00am or 7:00pm.

Celebration of Sacraments:
- Confirmation - Sunday 22nd May at 10:30am
  - Sunday 29th May at 10:30am
- Reconciliation - Tuesday 18th October at 6:30pm
- Holy Communion - Sunday 23rd October at 10:30am or
  - Sunday 30th October at 10:30am

All information and forms can be found on the parish website: [http://www.queenofapostleschurch.org.au](http://www.queenofapostleschurch.org.au)

Parent Workshop nights:
- Sacrament of Confirmation - Wednesday 11th May at 6.00pm
- Sacrament of Reconciliation - Wednesday 14th September at 6.00pm
- Sacrament of Holy Communion - Wednesday 21st September at 6.00pm

Ash Wednesday Whole School Mass
We will be having our first official Mass of the year as an Ash Wednesday Mass. This celebration will take place next Wednesday 10th February at 9:00am and will mark the beginning of Lent. This is the day when palms given out at last year’s Palm Sunday Mass are burnt and made into a paste which is then marked as a cross on each person’s forehead. It helps us to remember to turn away from sin and be faithful to the Gospel. We would love to see many families come and join us for this celebration. As Ash Wednesday is a day of fasting and abstinence, we will not be selling foods containing meat at the canteen, so please consider this when placing orders. An alternate menu will be available on this day.

Project Compassion
This term our focus at Queen of Apostles is Compassion. We again will be aiming at supporting the Project Compassion program run by Caritas Australia. This year’s theme is ‘Learning More Creating Change’. As Pope Francis says “Education is an act of hope”, so this year Project Compassion celebrates the power of learning, and the many ways in which Caritas Australia is working with local partners around the world to provide vital learning and renewed hope to children, women and men most vulnerable to extreme poverty and injustice. With your support, Caritas Australia is working hard to support communities living in poverty to help people to help themselves.

Each class will be given a Project Compassion box to place on their prayer table in their classrooms and each family will be sent home a box to place money in. The children can donate spare change or make small donations, which we will collect and pass onto Caritas. Students will be making Lenten Promises with the classes and part of this may be to donate part of their pocket-money each week to this project. Please try to support this cause as much as you can.

Education in Faith
As we begin a new school year together, we would like to share this prayer with you asking God to bless us this year and our Queen of Apostles school community, and all that we will experience and achieve together this
Heavenly Father, you have given us the gift of children.
We welcome such a responsibility with faith and love.
For children may be likened to seeds from flowers.
At first they may seem more similar than different.
As they grow and mature their differences become marked.
Some remain small and delicate while others are large and brilliant.
Some bloom early and some late.
One thing they have in common:
Under good conditions they all bloom and have their own beauty.
Dear Lord, help us as parents and teachers to provide the best conditions for our children,
So they may blossom forth in all their glory.
We ask this through Christ Our Lord.
Amen.

Russell Wylie and Julie Galbraith
Assistant Principals

---

**School Uniform**
Please ensure children are dressed in the correct school uniform each day. Details about this can be found in the Parent Information Handbook. Students should not wear nail-polish or jewellery other than a watch, a pair of earrings and a simple chain with a religious charm on it. Sports shoes should be predominately white. Please also ensure all removable items of clothing are clearly labelled with your child’s name.

**Parent Information Night**
There will be a Parent Information Evening held on Tuesday 16th February. The first session will begin in classrooms at 6:00pm until 6:45pm, followed by a whole school information session in the Library. There will be a second repeat session starting at 7:15pm and will run until 8:00pm. This will allow parents of more than one child to attend your children’s meetings. It is essential that parents attend these meetings as they will outline routines, structures and important information for the year.

**Drive Through Banners**
To assist with an easier drive-through experience, we can provide easy to read surname banners for you to display on your windscreen to facilitate the collection process.
If you are new to the school or need a replacement banner, please complete the attached slip and return to the office by Friday 12th February.

---

**DRIVE THROUGH PICK UP REPLY SLIP**

Family Name: ________________________________

Eldest Child in the Family: ____________________ Class: _____________

Please return to school office by 12th February 2016
RAPPERS Help Needed!!

We are still in need of parents who can assist with our RAPPERS program. We would love to have as many volunteers as possible working with our children to help them read. A RAPPER is a constant adult who hears the same child/children read each week and encourages them with their reading. The program places volunteers in Years 1-5 at least once a week.

If you can assist, please fill in the form attached to this newsletter and return it to the school office.

Please tick or highlight your availability
I would love to volunteer as a RAPPER in 2016.
I would be available on the following morning/s:
☐ Monday
☐ Tuesday
☐ Wednesday
☐ Thursday
☐ Friday

Please print name: ____________________ Signed: ____________________

Eldest Child’s name and class: _______________________________________

School Fees
Welcome Back! I hope everybody had an enjoyable break and ready to embrace another enlightening year.
Knowing you will be eager to receive your school fee accounts, I will endeavour to have completed processing them by Week Two or Three. To ensure that this is achievable, I ask all families who hold Health Care Cards or Pension Cards to check the expiry dates and come into the office and update their details. Also, if your circumstances have changed regarding split billing and address, email and contact details, please come into the office or call and speak to myself or Terri to update those changes.

The school will be issuing one annual account again, which will be emailed to all who have supplied their email address. We will also post a copy to all families and will include a direct debit form and a letter from the Principal which has a reply slip on the bottom to be completed and returned to the office by 26th February. Please ensure that you complete and return the reply slip.

Many thanks for your cooperation. Any queries regarding your account please don’t hesitate to contact me.
Kind regards
Mrs Janice Della Bosca, Finance Officer

Canteen
Welcome back and thank you to all parents who have already dropped by to put their names down on the canteen roster for this term.
Wednesday 10th February is Ash Wednesday, so we will be offering a reduced ‘meat free’ menu for this day:

Cooked Tuna Sushi Nicoise Salad
Fish, Gems & Corn Tuna & Pasta Salad
Vegetable Sushi Salad Sandwiches & Rolls
Vegetable Rice Paper Rolls Corn on the Cob
**Music News**

Welcome back for 2016! I hope you have had a fantastic holiday. I am looking forward to another fun filled year in Music and working with your children. Below are a few reminders.

**Junior and Senior Choir**

All students are welcome to join the Junior and Senior Choir. If your child is interested in becoming a member, please fill out a choir note. This can be collected from the office or myself. Choir Practice times will occur on Monday afternoons each fortnight from 1.55pm to 2.30pm.

**Instrumental Program**

If your child is interested in learning an instrument, please feel free to collect an Instrumental Agreement from myself or the office. This year we are offering the following instruments:-

- Piano
- Guitar
- Electric guitar
- Drums
- Recorder
- Flute
- Saxophone
- Clarinet
- Violin
- Vocals

On Monday 8\textsuperscript{th} February, the tutors will be joining us at our Gathering Assembly at 8.45am to meet the students and play their instruments. Parents are welcome to stay and ask questions at the end.

**It would be greatly appreciated if all notes can be returned by the end of Week 2 so we can get both programs up and running. Tutors will be in contact with enrolled students by Week 2 and inform you of when your child will commence lessons and any equipment or books that are required for each lesson.**

Thank you for your cooperation. I look forward to a productive and enjoyable 2016!

*Sheryl Perry, Music Specialist Teacher*

Dear Parents/Caregivers

Welcome to the start of the 2016 school year. The year promises to be full of possibilities in all our 163 vibrant, faith-filled learning communities each of which are centred on the person and teachings of Jesus Christ.

Pope Francis has declared 2016 the ‘Year of Mercy’. This challenges us all to be ‘merciful like the father’ in our daily lives. Imagine the transformative effect our school communities could have on society, if we were to take up Francis’ challenge, in our families and those we work with, as well as those who find themselves alienated, lonely and despised in society. Your school community will be creating a range of opportunities for students and families to honour and celebrate this special year and I encourage you to get involved.

If you are new to our system I would like to extend a very warm welcome to you and your family. You are joining Catholic education at an exciting time. We are in a period of significant growth and we have once again demonstrated sustained system-wide improvement in last year’s WACE results.

In the last three years we have opened seven new schools and colleges and 2016 marks the opening of Salvado Catholic College for the first time. I wish the students, parents and carers involved in the College’s foundation year all the very best.

All Catholic schools rely on the contribution of the parish, staff, students and parents working in partnership to sustain their vibrancy, educational excellence, and faith life. With your support and involvement in your child’s learning, the efforts of more than 11,000 dedicated school staff and principals can ensure that our Catholic schools help students across the state reach their God-given potential.

Thank you for your continued support and I wish you all the best for the year ahead.

Yours sincerely

Tim McDonald
A note from the Community Health Nurse...

Welcome to the new school year. My name is Fiona Ewing and I am the Community Health Nurse who visits your school.

Community Health Nurses work in schools to promote healthy development and wellbeing so students may reach their full potential. A major part of my work is focused on early intervention and the School Entry Health Assessment program. Community Health Nurses serve as a health contact point for children and their families, providing information, assessment, health counselling and referral. The services provided are free and confidential.

If you have a concern about your child’s health or development, please contact me on 9258 8053.

School Entry Health Assessment program for Kindy Kids

All children in Kindy are offered School Entry Health Assessments by the Community Health Nurse. This is a program run by the Department of Health, and is an excellent opportunity to look at the health and development of each child at the beginning of school life.

The assessments are simple, standard tests which are non-invasive, quick and easy. The tests screen for problems which can be addressed, if picked up and treated early. The tests include:

- Vision checks;
- Hearing and ear health checks;
- Developmental evaluation according to parent responses on the form;
- Teacher and nurse observations;
- Height, weight and body mass index (BMI) (if parents tick the box on the form);
- Any other health, development and wellbeing concerns raised by parents.

Please note, the screening tests indicate if there may be a problem – they do not diagnose a condition. If the test results for your child suggest there may be a problem, the Community Health Nurse will ring you to talk about further assessment and possible referral.

A word about weight...

Our modern society makes it very easy for children to gain too much weight too quickly. About a quarter of Western Australian children are overweight by the time they start Kindy. It is so common that it is difficult to tell what is ‘normal’ any more.

If parents have ticked the appropriate box on the form, the Community Health nurse will measure height and weight, and calculate body mass index (BMI). This is a simple score which may suggest that families need to think about a few lifestyle changes for children, such as more active play, walking to school, smaller food portions, less treats, less screen time. These changes can be discussed with the Community Health Nurse.

A Community Health Nurse will check your child’s vision, hearing and general development. A form will be sent home with your child in Term One.

Parents please complete and sign the forms and return the form to the class teacher as soon as possible.

I look forward to working with you and your family. Please ring if you wish to discuss anything to do with the School Entry Health Assessments.

Fiona Ewing, Community Health Nurse

Phone 9258 8053.
Immunisation - is your child attending Kindergarten for the first time?

Australia’s peak medical organisation - the National Health and Medical Research Council - recommends that children who have turned 4 years of age should have the following booster immunisations:

- DTPa-IPV vaccine against diphtheria, tetanus, pertussis (whooping cough) and polio;
- MMR vaccine against measles, mumps and rubella, and;
- All other WA schedule vaccinations recommended.

Your child can have these immunisations from 3 ½ years of age.

If your child has missed out on vaccinations, a doctor or immunisation nurse can provide ‘catch-up’ vaccinations. Make an appointment with a GP or visit the local (free) immunisation clinic run by Child and Adolescent Community Health at Cannington Leisureplex – call 61511308 to book in.

Did you know that as parents you can ring the National registry or go to the web site to check out your child’s immunisation status? All you need is your Medicare number. Phone 1800 653 809 or access the web site: www.humanservices.gov.au or email acir@humanservices.gov.au

---

P&F

Welcome Sundowner and Bush Dance

this FRIDAY 5th February

6.00 – 9.00pm

Featuring the world famous

Mucky Duck Bush Band!

Entry for a gold coin donation per person

Pizzas will be available to be collected at 6.00pm for those families who have pre-ordered

Alternatively, BYO picnic or BBQ meat to cook on the P&F BBQ

Please note this is a family event, and as such parents are responsible for the supervision of their own children.

Children will NOT be supervised by school staff or P&F volunteers.
Parish Family Mass
9am on Sunday 14th February with music and liturgy geared at families with primary school aged children. Children (from Yrs 3 – 6) are invited to come and help with Readings and Prayers of the Faithful.

Parents with children interested in participating and who are able to attend should complete the reply slip below or call (Coordinator) Katherine Forbes – 0419 861 587 email safnkath@tpg.com.au.

QUEEN OF APOSTLES FAMILY MASS PERMISSION SLIP
Please complete the reply slip below giving permission for your son / daughter to read at the 9am Family Mass Sunday 14th February.

Katherine Forbes – 0419 861 587 email safnkath@tpg.com.au.
Family Mass Co-ordinator

QUEEN OF APOSTLES PARISH REPLY SLIP
I give permission for my child ___________________________ of class ___________ to read at the 9am Mass on Sunday 14th February.

Parent’s signature ___________________________ Date ___________

Looking for Soul Food? The Centre for Faith Enrichment is offering two short online courses in Term One. (1) Encountering Jesus Anew in the Year of Mercy: Tuesdays 16th February – 8th March, 12pm-1pm, $20; (2) Dive Deeper: Exploring Faith: Tuesdays 23rd February – 8th March, 8pm-8.30pm, $15. For more information or to register, visit www.cfe.org.au or call 9241 5221. These courses are a great opportunity to explore matters of the soul in a relaxed and friendly way, with no exams or assignments! ALL welcome!
CANNING DISTRICTS HOCKEY CLUB
JUNIOR/HOOK IN2 HOCKEY REGISTRATION DAY
SUNDAY 14 FEBRUARY 2016
From 11:00am – 2.00pm
Where: FERNDALE RESERVE
