Dear Parents and Carers,

Welcome Back!

A very warm welcome to all our families and children returning to Queenies for 2017. I hope you all had the opportunity to get away from work for a while and enjoy some great family time relaxing, holidaying and having fun with your wonderful children. An especially warm welcome to all of the new families and children joining our Queenies community for the very first time at the start of this year.

I know that all of our staff are very excited and eager to get to know all the children in their respective classes. There is no prize for guessing which children and staff have been the most excited at the start of this school year. That’s right, the Kindy and Pre-Primary children and staff have been very excited about their new classrooms and facilities. I’m sure that as parents you can relate to that special feeling of excitement when you drive your new car out of the dealer’s showroom or turn the key and open the door of your brand new home. That’s very much how our Kindy and Pre-Primary staff are feeling at the moment!

This year, once again, promises to be a very busy one, with lots of events already filling the days on the term calendars. We are very much looking forward to continuing our journey of discovery, learning, personal and spiritual growth … combined with a healthy dose of enjoyment, challenge, success and learning from our mistakes. Already, I have had the great pleasure of visiting all the classes and I have been very impressed by the hordes of happy, smiling faces belonging to children hungry for the learning adventure that awaits them.

Let the fun and learning begin!

Building Update

As mentioned in my email the other day, the new Early Childhood Centre is finished on the inside and we have been very fortunate in being able to move in and get sorted just in time for the start of school yesterday. There does remain some finishing work to both the Kindy and Pre-Primary playgrounds with permanent fencing and gates to be installed next week. Poles for new shade sails will also be installed next week in both playgrounds, with the actual shade sails to follow in the next week or two.

There is still some finishing work to be completed with regards to the new car park, drive-thru and verandah section along Tribute Street. We are working with our builders to have this area completed and operational as soon as possible. As soon as we have notification that the work is completed, possibly early next week, we will let all parents and carers know via email of the date from which we can commence using the new facilities. In the meantime, we really appreciate the patience and tolerance being displayed by parents and carers with the continuation of our temporary traffic and parking arrangements.

New Parking and Drive-Thru Arrangements
In preparation for when the new car park and drive-thru in Tribute Street becomes operational (hopefully early next week), I would urge all parents and carers to study the plan below so that you understand how the new facilities will work. This is very important to all of us as the safety of our children is of paramount importance.

1. Firstly, you will notice a new driveway in the middle - this is the new entry point for all vehicle traffic.
2. If you wish to park and leave your car to come into the school, please turn to the left and park in one of the bays adjacent to the new Kindy classrooms.
3. When exiting the car park you will do so at the exit closest to Vahland Ave.
4. If you are only dropping-off or picking-up then please veer right and enter the drive-thru area. In this area you may not park or leave your vehicle unattended - it is strictly drop-off or pick-up only!
5. When exiting the drive-thru section you will use the same exit as previously, closest to Tudor Ave.
6. Children waiting to be picked up will be able to wait on the new verandah under teacher supervision and when they see their parents car enter the drive-thru, they may proceed down the steps at either end or the ramp and wait on the footpath adjacent to the bay where their parent has pulled up. Children should enter vehicles from the curbside only to avoid passing vehicles.
7. New recessed parking bays are also available on Tribute Street to provide enhanced safety by increasing space for traffic to flow in both directions.
8. As soon as the new facilities are complete and ready for use, we will inform all families via email.

OSH Club Have Moved!
Just a reminder that OSH Club are now operating from the old Kindy room, so parents doing drop-off or pick-up should use the church car park, which is closest to the new OSH Club home.

Peace and best wishes,
Shaun O’Neill
Principal.
Sacramental Dates for 2017

The Queen of Apostles Parish wish to advise families with children in Sacramental years that enrolment for the Sacraments of Reconciliation, Eucharist and Confirmation will be on **Saturday 4th February 2017 at 9.30am in the Parish Hall**. You may enrol earlier by filling the enrolment form (available on the parish website: http://www.queenofapostleschurch.org.au/page3.html), and handing it in at the Parish Office (55 Tudor Ave, Riverton) along with the $30 enrolment fee. A copy of your child’s Baptism Certificate is also required (if the Parish does not already have one).

For further information please contact Ashley Almeida on 0403317731

#### Library and Physical Education Days

Please note that the children will need to bring their library bags to school with their library book on the days listed below.

Sport uniform will need to be worn on the following days for the various classes. On days marked with an ‘F’ children should wear their faction coloured polo shirt, days marked with a ‘Y’ children should wear their yellow polo shirt.

**Junkyard**

2017 will see Queenies with a little more playground space than we have had in 2016.

We would like to introduce a different ‘play’ area for the children in the old PP playground. This area will be a Queenies version of the very successful PlayPod that has been introduced in the United Kingdom and United States.

For our area to be successful we would like to enlist the help of our wonderful parent community. We will need lots of materials, which usually find their way to landfill, to stock the playground. All materials donated need to be vetted for safety before the children can use them. We ask your help with this by making sure all sharp edges are removed from the products you are donating to our ‘Junkyard’. Some items that might be useful are listed below. This list is not exclusive and as you come across materials that you think would be of benefit to us please bring them in. (As the children get familiar with the new concept of play no doubt they will tell you what would be useful in the area.) We ask that these materials be dropped off to the school and left in the current Year One area near the shed.

If you would like to see what this looks like in a UK school please go to the following web site. [https://www.youtube.com/watch?v=nqi1KyJeKg](https://www.youtube.com/watch?v=nqi1KyJeKg)

- Heavy duty storage tubs eg flip top rubbish bins, large tubs with lids, etc
- Carpet squares
- Old curtains/blankets/sheets/fabric lengths/shade cloth/netting for den making
- Thick plastic rope
- Rope/electrical cable
- Pushchairs
- Cushions (large and small)
- Carpet inner tubes
- Dress up clothes eg high viz vests, overalls, hard hats
- Suitcases (large)
- Cardboard boxes – large and small
- Foam/cardboard tubes
- Air conditioning insulation pipe
- Electrical cable reels
- PVC piping of various widths and lengths
- Timber – no nails or splinters
- Crates

The children will build all manner of things such as rocket ships, stages, cars, beds, swings, slides. You name it, they build it! This then leads to all sorts of imaginative games and role play.

Our Junkyard ensures that the opportunities for rich, “open ended” and self-directed play are optimised at school. We anticipate our Junkyard will bring:

- An increase in creative play.
- Children engaging in different physical activity.
- Learning taking place through open ended play
- Improved critical thinking skills.
- Equity – loose parts play enables all children to join in.
- Reduction in playground incidents and children’s complaints: less boredom leads to less anti-social behaviour.
- Social inclusion: small or large mixed-age and mixed gender groups from around the Junkyard
- Risk: the Junkyard encourages children to assess and manage risk for themselves.

*Please spread the word to family and friends who may work in an environment that can help with sourcing these materials.*
Welcome back for 2017! I hope you have had a fantastic holiday. I am looking forward to another fun filled year in Music and working with your children. Below are a few reminders.

**JUNIOR AND SENIOR CHOIR**
All students are welcome to join the Junior Choir (Years 2 & 3) and Senior Choir (Years 4 - 6). If your child is interested in becoming a member, please fill out a choir note. This can be collected from the office or myself. Choir Practice times will occur on Monday afternoons each fortnight from 1.20pm to 2.10pm.

**INSTRUMENTAL PROGRAM**
If your child is interested in learning an instrument, please feel free to collect an Instrumental Agreement from myself or the office. This year we are offering the following instruments:-
- Piano
- Guitar
- Electric Guitar
- Drums
- Recorder
- Flute
- Saxophone
- Clarinet
- Violin
- Vocals.

On Monday 6\(^{th}\) February, the tutors will be joining us at our Gathering Assembly at 8.45am to meet the students and play their instruments. Parents are welcome to stay and ask questions at the end.

**Music Rocks** program will commence on Monday 6\(^{th}\) February in the Undercover Area. Parents are welcome to come along and watch the first session and ask questions. They will also host our Gathering Assembly on Monday 13\(^{th}\) February at 8.45am.

It would be greatly appreciated if all notes can be returned by the end of Week 2 so we can get both programs up and running. Tutors will be in contact with enrolled students by Week 2 and inform you of when your child will commence lessons and any equipment or books that are required for each lesson.

Thank you for your cooperation. I look forward to a fun filled 2017!

Sheryl Perry
Music Specialist Teacher
School Fees
Welcome Back! I hope you had an enjoyable break, and are ready to embrace another exciting year. Knowing you will be eager to receive your school fee accounts, I will endeavour to have completed processing them by week two or three. To ensure that this is achievable, I require all families who hold Health Care Cards or Pension Cards to check the expiry dates and come into the office to update their details. Also, if your circumstances have changed regarding split billing or address/email and contact details, please come to the office, or call and speak to myself or Terri to update these changes.

The school will be issuing one annual account again, which will be emailed to all who have supplied their email address. We will also post a copy to all families which will include the annual account, direct debit forms for credit card and savings a/c, also a letter from the Principal, which has a reply slip on the bottom to be completed and returned to the office by 28th February. Please ensure that you complete and return the reply slip.

Many thanks for your cooperation, any queries regarding your account please don’t hesitate to contact me.

Kind regards
Mrs Janice Della Bosca, Finance Officer

Uniform Shop
Welcome to 2017, the Uniform Shop is almost fully stocked and we are ready to welcome you and your child and sort out your uniform needs for the new school year.

New hats and socks!
The response to the new hat and sock styles has been overwhelming! The kids are loving the new faction hats and they have become a bit of a fashion item! Due to the huge demand, we sold out of our first shipment of hats in no time! The second shipment was originally due for delivery in time for the commencement of Term 1, however, the shipment is late and they are now due for delivery by Friday 10th February. If you have a hat on order they will be sent to your child’s class as soon as we have them.

We have the new sport socks in stock and they have also proven to be very popular. If you had socks on order, all of the orders have been sent out and your child should have received them through the classroom message boxes on day one.

Thank you for your orders and I hope that we will be fully stocked and all orders filled in the very near future.
Fiona Agostino, Uniform Shop

A note from the Community Health Nurses
Welcome to the new school year from Robyn, Fiona, Lily, Pauline & Kellie. We are the Community Health Nurses who will be visiting your school this year.

Community Health Nurses work in schools to promote healthy development and wellbeing so students may reach their full potential. A major part of our work is focussed on early intervention and the School Entry Health Assessment program.

Community Health Nurses serve as a health contact point for children and their families, providing information, assessment, health counselling and referral. The services provided are free and confidential.

If you have a concern about your child’s health or development, please contact us on 9258 8053.

School Entry Health Assessment
All children in Western Australia are offered a health assessment during their first year of primary school. This usually occurs in Kindergarten and is provided by the local Community Health Nurse. The program is an excellent opportunity to look at the health and development of each child at the beginning of school life.
At your School, the Kindy assessments start in February and will continue until the end of the year.

The assessments are simple, standard tests which are non-invasive, quick and easy. The tests screen for problems which can be addressed, if picked up and treated early. The tests include:

- vision checks
- developmental evaluation according to parent responses on the form
- teacher and nurse observations
- any other health, development and wellbeing concerns raised by parents.

Please note, the screening tests indicate if there may be a problem – they do not diagnose a condition. If the test results for your child suggest there may be a problem, the Community Health Nurse will ring you to talk about further assessment and possible referral.

This year, hearing, ear health, weight and height measurements will not be completed routinely, however if you have any concerns regarding your child’s hearing or growth, please indicate your concern on the form and the Community Health Nurse will contact you to discuss this. Your child’s results will be sent home after their health check has been completed. Results are always treated confidentially.

School Entry Health Assessment forms are currently being distributed for parents to complete. Please complete and sign the front page of the form before you return it. Please return the form to the school office or class teacher as soon as possible.

We look forward to working with you and your family. Please phone if you wish to discuss anything to do with the School Entry Health Assessment.

Robyn, Fiona, Lily, Pauline & Kellie
Community Health Nurses- schools

**Immunisation – Is your child attending kindergarten for the first time?**

**Immunisation - is your child attending kindergarten for the first time?**

Australia’s peak medical organisation - the National Health and Medical Research Council - recommends that children who have turned 4 years of age should have the following booster immunisations:

- DTPa-IPV vaccine against diphtheria, tetanus, pertussis (whooping cough) and polio;
- MMR vaccine against measles, mumps and rubella, and;
- All other WA schedule vaccinations recommended.

Your child can have these immunisations from 3 ½ years of age. If you child has missed out on vaccinations, a doctor or immunisation nurse can provide ‘catch-up’ vaccinations.

Make an appointment with a GP or visit the local (free) immunisation clinic run by Child & Adolescent Community Health (call 61511308 to book).

Did you know that as parents you can ring the National registry or go to the web site to check out your child’s immunisation status? All you need is your Medicare number. Phone 1800 653 809 or access the web site: www.humanservices.gov.au or email air@humanservices.gov.au
School Banking

Get involved in the School Banking program.

Queen of Apostles is excited to offer the Commonwealth Bank School Banking program to all students for 2017.

School Banking is a fun, interactive and engaging way for young Australians to learn about money and develop good savings habits. Children who deposit money into their Youthsaver account through School Banking earn Dollarmites tokens, which they can save up and redeem for exciting rewards.

The rewards available during 2017 are:

- Cyber Handball
- Colour Change Markers
- 3D Chalk Set
- Tablet Case
- Smiley Emoji Keyring
- Volt Handball
- Pencil + Tech Case
- Epic Earphones

School Banking is also a great fundraiser for our school. Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

Getting involved in School Banking is easy!

All you need to get involved in the School Banking program is a Commonwealth Bank Youthsaver account. You can open an account for your child in one of two ways:

1. Online
   Visit commbank.com.au/schoolbanking and click on the link to open a Youthsaver account.

2. In branch
   Visit a Commonwealth Bank branch with identification for yourself and your child, like a driver’s licence and birth certificate.

If your child has an existing Commonwealth Bank Youthsaver account, they can start banking straight away. They just need to bring their deposit in every week on School Banking day using their Dollarmites deposit wallet.

School Banking day is Friday. Each week you need to place your banking deposit book in the drop box located at the reception desk in the administration building.

If you would like to know more about School Banking, please pick up a 2017 School Banking program information pack from the school office or visit commbank.com.au/schoolbanking

Win a family adventure holiday at Tokyo Disneyland!

This year, School Banking is running a Future Savers Grand Prize competition that will take one lucky School Banker all the way to Tokyo, Japan. The winner gets an unforgettable family trip, for up to two adults and three children, where they'll explore Tokyo Disneyland with its amazing attractions, including the futuristic Tomorrowland, plus enjoy the fun rides at Tokyo DisneySea.

Students who make 15 or more School Banking deposits by the end of Term 3, 2017 will be automatically entered into the draw. This is another great way to motivate students to save regularly and reach their savings goals.
New School Banking rewards now available!

Exciting new Term 1 rewards with a Future Savers theme are now available, while stocks last!

Cyber Handball

Colour Change Markers

For every deposit made at school students will receive a silver Dollarmites token. Once students have individually collected 10 tokens they can redeem them for exclusive School Banking reward items in recognition of their regular savings habits. There are two new items released each term so be sure to keep an eye out for them!

Thank you for supporting the School Banking program and remember, School Banking day is every Friday.

$589.06 raised through School Banking for 2016!

Thanks to the fantastic efforts of our students we have raised $589.06 for our school through School Banking commissions in 2016. Our school receives $5 when a student makes their first ever School Banking deposit and 5% on every deposit made through the school (to a maximum of $10 per individual deposit).

Saving regularly is an important habit to get into, whether you’re saving a little or a lot. Keep up the great work and remember.

Mrs Nikki Harrison
School Banking Coordinator
Welcome Sundowner and Bush Dance

Friday 24th February, 2027
6.00pm-9.00pm

Entry for a gold coin donation per person.

Pizzas will be available by pre-order (forms to come). Alternatively, BYO picnic.

Please note this is a family event, and as such parents are responsible for the supervision of their own children. Children will NOT be supervised by school staff or P&F volunteers.
Sunday Family Mass Roster
Family Masses are held once a month at 9am on Sundays.

If your child would like to read throughout the year (Year 3 and above), please contact Melissa Edmonds with your email and mobile phone details as soon as possible to be included on the roster.
Thank you.

Melissa Edmonds, Family Mass Co-ordinator
edmonds.melissa@qoa.wa.edu.au
