Dear Parents and Carers

P&F Meeting

On Monday evening we enjoyed our first P&F Meeting for the new school year. It was great to see a healthy turnout of parents and friends, with a terrific mixture of familiar faces as well as a few new faces, which was especially delightful and pleasing. I must confess to feeling more than a little choked-up emotionally by the attendance of not one, but two grandparents at the meeting! I’ll have to check the record books, but I’m confident that this could be a first for us ... and a most welcome one at that!

With the increasing number of families relying on grandparents to help provide care for their children, so both parents can work, we have certainly noticed the increasing presence of grandparents doing the school run in the morning and afternoon, as well as attending assemblies, sports carnivals and various other school events. I certainly admire grandparents who are willing to come along to our P&F Meetings and stay informed about the latest happenings and plans for our school and their grandchildren.

We have another terrific P&F Committee this year, as well as a great support team of other parents eager to lend a hand and have some fun along the way. There is already a core group of parents who have formed a Queenies Fete Committee to oversee and coordinate our Queenies Community Fete in November this year - the date will be confirmed soon.

Now please…. no tears, no frowns and no sad faces …. If you missed the meeting on Monday night, you still have plenty of opportunities to come along and join the fun, camaraderie and information sharing that occurs at P&F Meetings. Our meetings are held on the 2nd Monday of every month at 7.00pm in the Staffroom. Everyone is most welcome to attend and why not bring a friend with you?

P&F Welcome Sundowner

Speaking of the P&F, they have already been busy after last year’s ACM organizing another wonderful family evening with a Welcome Sundowner and Bush Dance on Friday 24 February commencing at 6.00pm on the Annex Owal! Please check the newsletter for further details and mark this date on your calendar for a terrific, fun-filled family night of socialising, fun and frivolity on the Annex Owal.

under the stars! I hope you’ve remembered to get your pizza orders in on time? BYO picnic blankets, camping chairs, refreshments and nibbles. I hope to see as many families as possible at this great family fun night.

**Car Park and Drive-Thru Update**

While there are still a couple of items to be completed such as fencing and gates and a good pressure cleaning, I am very happy to announce that we can start using our new car park and drive-thru from tomorrow morning, Thursday 16 February! This also means that the school grounds will no longer be open and available for parent parking and drop-off or pick-up in the mornings or afternoons.

I would like to remind parents, carers and grandparents to take the time to read and familiarise themselves with the following instructions, so that we can ensure a smooth transition to the new arrangements and most importantly, ensure the safety of children and pedestrians in and around the school. Your patience and understanding while everyone adjusts will be greatly appreciated.

**New Parking and Drive-Thru Arrangements**

With the new car park and drive-thru now operational, I would urge all parents and carers to study the plan below so that you understand how the new facilities will work. This is very important to all of us as the safety of our children is of paramount importance.

1. Firstly, you will notice a new driveway in the middle - this is the new entry point for all vehicle traffic.
2. If you wish to park and leave your car to come into the school, please turn to the left and park in one of the bays adjacent to the new Kindy classrooms.
3. When exiting the car park you will do so at the exit closest to Vahland Ave.
4. If you are only dropping-off or picking-up then please veer right and enter the drive-thru area. **In this area you may not park or leave your vehicle unattended - it is strictly drop-off or pick-up only!**
5. The drop-off bays are located on the left so that children can safely enter or exit vehicles at curbside and therefore avoid being near moving vehicles.
6. As a vehicle pulls out into the right hand lane after dropping off or picking up, another vehicle may move forward to take the bay being vacated.
7. Vehicles queueing to enter a drop-off/pick-up bay must queue before the crosswalk, so that they do not obstruct pedestrian traffic. As a vehicle exits a bay the next car in the queue may move forward to enter the vacant bay and the next car waiting moves up to just before the crosswalk.

8. There is to be no dropping off or picking up in the right hand lane at all - this area is to be kept clear to allow vehicles to enter and exit the bays.

9. **When exiting the drive-thru section you will use the same exit as previously, closest to Tudor Ave and you must turn left.**

10. New recessed parking bays are also available on Tribute Street to provide enhanced safety by increasing space for traffic to flow in both directions.

**Morning Drop-Off:**

1. Whether parking in the car park or using the drive-thru, we ask that all parents and children enter the school via the steps and verandah near the Music Room, or the pathway between the Kindy and the main school verandah and proceed through the Undercover Area to your classroom.

2. After dropping off your backpack at your classroom, you are then to proceed to the Undercover Area, where supervision is provided.

**Afternoon Pick-Up:**

1. Children waiting to be picked up after school will exit the school grounds via the Undercover Area and walk down the side verandah to wait on the new verandah outside the Music Room under teacher supervision.

2. When children see their parent’s car enter the drive-thru, they may proceed down the steps outside the Music Room and wait on the footpath adjacent to the bay where their parent has pulled up. At all times they must obey any instructions from the Duty Teacher.

3. Children should only enter vehicles from the curbside to avoid moving vehicles in the right hand lane.

Peace and best wishes,
Shaun O’Neill
Principal.

**Religious Education**

**Sacramental Registration and Commitment Masses**

Thank you to all those families who have registered their children to receive Sacraments this year. If you have not yet done this, please make an appointment to see Father Paul as soon as possible. He can be contacted on 6188 6877 or parents may see him after school in the Parish Office.

Please note that Sacraments are **PARISH BASED**. This means that the children will receive the Sacrament at the parish they belong to. We, as a school, support the children by preparing them through the Religious Education Units of Work taught and by assisting our Parish, Our Lady Queen of Apostles, with help they may require. If parents wish for their child to receive a Sacrament, it is your responsibility to liaise with your parish in order for this to occur. We will provide information for Queen of Apostles as a service to our families and as support to the parish.

This weekend **18th/19th February** are the Commitment Masses for those students who would like to receive the Sacrament of Reconciliation. These Masses will be celebrated at either the Saturday 6:00pm Mass or on Sunday at 9:00am or 7:00pm.

For parents of a child receiving the **Sacrament of First Holy Communion**, the commitment Masses will be held on **25th/26th of February**.

Children receiving these Sacraments must attend one of these Commitment Masses.
Parent Information Night
There will be a Parent Information Evening held on Wednesday 22nd February. The first session will begin in classrooms at 6:00pm until 6:45pm, followed by a whole school information session in the Library. There will be a second repeat session starting at 7:15pm and will run until 8:00pm. This will allow parents of more than one child to attend your children’s meetings. It is essential that parents attend these meetings as they will outline routines, structures and important information for the year. We look forward to seeing all parents attending this evening.

Drive-Thru Banners
To assist with an easier pick up experience, we ask all parents using the drive-thru to have a banner with their surname on it to display on your windscreen so the teacher on duty can easily and quickly facilitate the collection process.
If you are new to the school or need a replacement banner, please complete the slip below and return to the office by Friday 17 February.

---

**DRIVE-THRU PICK UP REPLY SLIP**

Family Name: _______________________________________

Eldest Child in the Family: _____________________________ Class: _______________

Please return by Friday 17 February

---

RAPPers Help Needed!!
We are still in need of parents who can assist with our RAPPers program.
We would love to have as many volunteers as possible working with our children to help them read. A RAPPer is a constant adult who hears the same child/children read each week and encourages them with their reading. The program places volunteers in Years 1-5 at least once a week.
If you can assist, please fill in the form attached to this newsletter and return it to the school office

---

**RAPPers HELPERS**

*Please tick or highlight your availability*

I would love to volunteer as a RAPPER in 2017.

I would be available on the following morning/s:

- [ ] Monday
- [ ] Tuesday
- [ ] Wednesday
- [ ] Thursday
- [ ] Friday

Please print name: _____________________________   Signed: _____________________________

Eldest Child’s name and class: ______________________________________
ICAS - Entry
Each year Queen of Apostles School offers children in Years 3-6 the opportunity to sit International Competitions and Assessments for School (ICAS). These assessments have taken place annually in schools for over thirty years and in twenty countries. The assessments are designed by a not-for-profit arm of the University of New South Wales and tests are conducted annually in different learning areas. ICAS contains questions designed to specifically explore abilities of students of all standards – this includes those of both lower and higher levels of achievement.

Results are available to students and parents online and these online reports and analyses remain available indefinitely. ICAS reports indicate which questions were answered correctly, compare student performance to that of the other students tested and are highly suitable for inclusion in a student’s portfolio. Achievement certificates are awarded to all students at a range of levels.

- **High Distinction** to the top 1% of students
- **Distinction** to the next 10%
- **Credit** to the next 25%
- **Merit** to the next 10%
- **Participation** to all other students

Entries are administered through the school, so if you wish your child to be involved please fill in and return the attached application form with the correct entry fee/s. All entries must reach the school by **Friday 24 March** so that we can get 2016 prices. No late entries will be accepted. Testing will take place at school and starting time will be **8.00am**. Children will be expected to arrive at school so that testing can begin at 8.00am. Students arriving late will not be able to participate as they will disturb the test conditions of the other students.

### After School Table Tennis
Irwin Budiarto (state level coach) will be running table tennis coaching sessions after school for students in Year 5 and 6. The sessions run from 3.00pm to 4.00pm every Tuesday this term, starting Tuesday 21\textsuperscript{st} February. There is no cost for the sessions and all equipment is supplied. Students can enrol on their first day.
Please read about one of the special people in our community

To all our beautiful mums and dads and carers and especially those of you who are new to our school, there is a very special mum amongst us with a very rare, progressive and incurable lung disease called LAM. You would all recognise Kate Wingrave by her signature accessory of the season, her oxygen tubes. In her spare time, she helps coordinate the placement of foster children and does her mighty best to fundraise for a cure for LAM.

This Saturday night we are holding a Fundraiser at the Leopold Hotel with live music from top Perth band The 80's Underground. Door prize, raffles and silent auction on offer. Tickets are $20ea and are available from myself (send SMS to Donna Albertini 0420 756 673) or Kate or online at www.oztix.com.au. All profits go to LAM research.

I can't think of a better way for all of us to come together and show Kate we care and have an absolute blast at the same time. Hope you all can join us. Thanks to those who have already purchased your tickets, you are Gold!

Donna Albertini
KATE Wingrove is one of 12 women in WA with the rare and degenerative lung condition lymphangioleiomyomatosis (LAM).

It affects only women, to varying degrees, and appears to be accelerated by the hormone oestrogen.

The average age of diagnosis is 35 years, but most women notice symptoms long before LAM is diagnosed and are often misdiagnosed.

“I was breathless all the time. I put it down to pregnancy when I couldn’t walk up the stairs to do my work as a social worker,” Ms Wingrove said.

Doctors thought she had anxiety and checked her heart after the birth of her son but her oxygen levels were not monitored until she took an ambulance to Fremantle Hospital with severe back pain after the birth of her second child.

CT scans and X-rays were sent to a specialist in Melbourne where a LAM diagnosis was confirmed.

Ms Wingrove was 39 with a two-month-old daughter and 22-month-old son when she was told she had two to eight years to live.

More than six years since the day of her diagnosis, Ms Wingrove says the disease is isolating not only because it is rare but because it leaves her exhausted, on oxygen around the clock, and in severe pain, prone to infection and coughing up blood when a cyst bursts.

Her ambition is to see her primary-school aged children graduate, and she dreams of holding a grandchild.

She has delayed the prospect of a lung transplant because of the surgical risks and possible negative impact on quality of life. A transplant could add three to seven years.

She visits Fiona Stanley Hospital’s advanced lung disease unit every two months where staff ask if they can listen to her lungs to learn about the condition.

Ms Wingrove is on a drug trial, and uses movie tickets donated by the Red Cross to spend time with her children.

To donate or for info see LAM visit lamaustralia.org.au.
Dear parents and caregivers

Welcome to the start of the 2017 school year. This year promises to be full of exciting new opportunities and possibilities for your child in Catholic Education.

If you are new to our system, I would like to extend a very warm welcome to you and your family. I am delighted that you have chosen to join the Catholic Education Western Australia system, which provides a faith-based education and inspires a passion for learning and discovery for more than 75,000 students in 183 school communities right across the State.

You are joining Catholic Education at an exciting time of system success, growth and transformation.

In 2016, one of the many encouraging indicators of the success of our system was the WACE achievement of our Year 12s. Approximately 96 percent of CEWA students achieved a WACE, above the total State average, while CEWA students improved their Median ATAR again to 81.95, and were awarded a total of 33,178 VET Certificate 2 or higher.

In the past four years, our system has grown with the opening of seven new schools and colleges. Early Years Learning and Care is a key focus for us moving forward in 2017 as we seek to offer exceptional learning experiences for children in a vital period of their development, while meeting the needs of today's families.

This year we aim to reimagine collaborative learning at every school across our system by implementing our digital transformation initiative, LEADing Lights. LEADing Lights is a single digital eco-system, designed to equip students with the 21st century technologies and deep learning skills that will best prepare them for the future. Much work is underway in this space to ensure that this initiative supports world-class learning and development experiences for both students and staff.

Catholic schools rely on the contribution of parish, staff, students and parents working in partnership to sustain their vibrancy, educational excellence, and faith life. With your support and involvement in your child's learning, the efforts of our dedicated staff and Principals, we will ensure that our Catholic schools help your child reach toward their God-given potential.

Thank you for your continued support and I wish you all the best for the year ahead.

Yours sincerely

[Signature]

Common Signs

Parking prohibitions are imposed to regulate and modify parking patterns. Their main function is to ensure that potential vehicle/pedestrian conflicts are eliminated.

- **No Stopping**
  You must not stop or park on a length of road to which a No Stopping sign applies.

- **No Parking**
  You may stop in a No Parking zone for a maximum of 2 minutes to drop off or pick up passengers. You must stay within 3 metres of your car at all times.

- **Parking Signs**
  Parking signs with specified time limits allow drivers to park their vehicles only within certain time periods.

- **Bus Zone**
  You must not stop or park in a bus zone.

Working together for a safe community.
School Parking

In an effort to provide a safer environment for everyone, Officers from the City of Canning patrol school parking in the mornings and afternoons throughout the school term.

It is imperative that drivers are aware of the road rules and understand signage around schools to ensure the safety of children, road users and pedestrians in general. Unlawful parking in school areas is a major safety hazard and parking infringement notices may be issued for incorrect, unlawful or dangerous parking.

At the beginning of each school year, City Officers conduct educational patrols in school areas. During this period Officers remind drivers of the need to park legally and safely and ensure compliance with the City’s Parking Local Law 2010.

As part of this initiative, City Officers work closely with the school community to promote safety around schools. Information leaflets are also distributed to schools for inclusion in school newsletters to advise parents of the parking requirements under the Local Law.

Common Parking Problems

- Parking/Parking in a No Stopping area
- Parking in a No Parking area
- Parking/parking on a footpath
- Double parking
- Parking/Parking on a verge without the adjoining occupier's consent
- Parking so that the vehicle causes an obstruction
- Parking against the flow of traffic
- Parking in a bus stop

Tips for Parents

- Observe Parking restrictions (read the signs)
- Stick to the speed limits at all times
- Be aware – young children can be unpredictable and hard to see!
- Be courteous and responsible
- Use ‘Pick Up and Set Down’ areas correctly (if provided)
- Always be aware of children
- Walk or cycle to and from school
- Plan your trip so that you arrive earlier
- Stop on the school side so your child does not have to cross the road
- Use the crosswalk services at all times
- Utilise parent’s parking bays (where provided)

What NOT to do

- Block driveways
- Stop or park on footpaths
- Obstruct children’s pedestrian crossings
- Get frustrated – try and stay calm
- Ignore speed limits around schools
- Ignore parking signs

Please contact Ranger and Community Safety Services on 1300 4 CANNING (1300 4 222 964) if you need help or advice regarding parking.

School Zones

40km/h school zones are in place around every school in the City of Canning. School zones operate from 7:30am to 9am in the morning and 2:30pm to 4pm in the afternoon.

Children warning signs and 40km/hour school speed zone signs are the responsibility of Main Roads WA and requests for additional signs or sign damage reports should be directed to them on 138 138.

Pick Up and Set Down Areas

Pick Up and Set Down Areas are designated to allow large numbers of vehicles/parents to pick up or set down their children in a short length of time. Typically they are located adjacent to the main school entrance.

When using these areas, kiss your child, say goodbye, allow them out and drive away as soon as possible. When using the designated Pick Up and Set Down Areas around schools never leave your car unattended.

Contact your local school to find out if a ‘Pick Up and Set Down’ initiative is in place.
Look no further than the Australian Girls Choir because we encourage, challenge and inspire girls as they learn to sing, dance and perform.

February Open Classes
Come along and try a free class at your local rehearsal venue!
